Re: Letter of recommendation for LAB-EL Elektronika Laboratoryjna

To whom it may concern

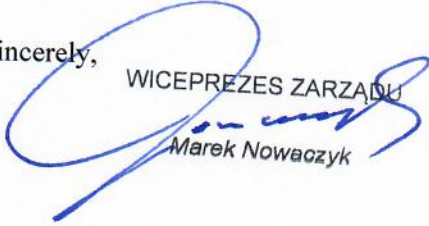

The company LAB-EL Elektronika Laboratoryjna S.J. is the supplier of the measuring system (EMS-environmental monitoring system) for laboratory, production and warehouse facilities

LAB-EL Elektronika Laboratoryjna s.j. provided full service in the field of temperature, pressure and humidity monitoring, including software and calibration of measuring devices in our plant in the area of our microbiology laboratories, production halls and warehouse.

We recommend LAB-EL Elektronika Laboratoryjna S.J. as a reliable business partner.

Sincerely,

WICEPREZES ZARZĄDU
